LEGISLATIVE REPORT FROM SENATOR TOM PERKINS

The first regular session of the 111th Maine Legislature was rather long and taxing for not only the legislators but the people of Maine as well. Though we worked every method at our disposal, we were unable to confine the powers that be to the monies at hand. Much to my regret, many Maine people in their communities are being asked to supplement the State Budget by means of a fire suppression tax and an increase in the gas tax as well as fees associated with our Maine environment.

Some of the bills I sponsored were:

L.D. 178 — AN ACT to Amend the Maine Guarantee Authority Act to Allow for More Expansive Development in the State.

L.D. 527 — AN ACT to Provide all Municipalities With the Option to Establish a Local Board of Assessment Review.

L.D. 664 — AN ACT to Allow the District Court to Grant Restitution to Cases of Unfair Trade Practices.

L.D. 734 — AN ACT Relating to Powers of the Board of Trustees of the Maine Maritime Academy and to Authorize Conferral of the Master of Science Degree in Maritime Management.

L.D. 872 — AN ACT to Promote Work-Site High Blood Pressure Programs for Maine Workers.

L.D. 880 — AN ACT to Clarify the Tax Status of Time-Sharing Condominiums.

L.D. 912 — AN ACT to Improve the Administration of Agricultural Fairs.

L.D. 1101 — AN ACT to Amend the Laws Relating to Transportation or Cutting of Christmas Trees.

L.D. 1285 — AN ACT Making Unified Appropriations and Allocations for the Expenditures of State Government, General Fund, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 1984, and June 30, 1985.

L.D. 1295 — AN ACT Making Additional Authorizations and Allocations Relating to Federal Block Grants for the Expenditure of State Government for the Fiscal Year Ending June 30, 1983.

L.D. 1405 — AN ACT to Protect Underwater Electric Cables and to Increase the Penalties for Violations.

L.D. 1414 — AN ACT to Extinguish Obsolete Mineral and Mining Rights.

L.D. 1491 — AN ACT Relating to Forged or Illegal Prescriptions.

L.D. 1495 — AN ACT To Provide Legislative participation in the Allocation of Consumer Settlements and for Allocation of Funds for the Low Income Energy.

L.D. 1641 — AN ACT to Amend the Lucerne-in-Maine Village Corporation Charter.

L.D. 1714 — AN ACT to Provide Equitable Health Care for Alcoholism and Drug Dependency Treatment.

L.D. 1738 — AN ACT to Require Legislative Approval of Low-Level Radioactive Waste Facilities.

L.D. 1646 — AN ACT to Provide Equal Access to Justice.

I appreciate the opportunity to serve you and if I can be of any assistance, please don't hesitate to contact me at Augusta: 1-800-452-4601; Home: 1-374-5321; Store: 1-374-2865.

MUNICIPALITY OF

PENOBSCOT, MAINE

1984

ASSESSORS' NOTICE

In accordance with Title 36, M. R. S. A., Sec. 706, as amended, the Assessors of the Municipality of PENOBSCOT hereby give notice to all persons liable to taxation in said municipality, that they will be in session at the TOWN HALL in said municipality, on the FIRST DAY of April, at (state time) 12:00 NOON for the purpose of revising lists of the polls and estates taxable in said municipality.

Resident Owners

All inhabitants of the Municipality of PENOBSCOT, Maine and all Administrators, Executors, Trustees, etc., of all estates taxable in said municipality of such persons are hereby notified to **MAKE AND BRING INTO THE ASSESSORS TRUE AND PERFECT LISTS OF THEIR POLLS AND ALL THEIR ESTATES, REAL AND PERSONAL**, not by law exempt from taxation, of which they were possessed on the first day of April, 197 , and be prepared to make oath to the truth of the same and to answer all proper inquiries in writing as to the nature, situation and value of their property liable to be taxed.

Estates Distributed

And when estates of persons deceased have been distributed during the past year, or have changed hands from any cause, the Executor, Administrator, or other persons interested, are hereby warned to give notice of such change, and in default of such notice will be held under the law to pay the tax assessed although such estate has been wholly distributed and paid over.

Persons Doomed

And any person who neglects to comply with this notice is thereby barred of his right to make application to the ASSESSORS or the COUNTY COMMISSIONERS, for any abatement of his taxes, unless he offers such list with his application and satisfies them that he was unable to offer it at the time appointed.

Selectmen's Report

The town of Penobscot will be celebrating its 200th anniversary in 1987. Penobscot is the oldest town east of the Penobscot River. The cover of this report was designed with this in mind and clearly depicts its location on the Maine map.

In regard to the 1984 Real Estate valuation of properties in town, it may become necessary to have an across-the-board increase in valuations. This is caused by the difference between what we have for valuation and what the actual value is according to the State. As you remember this type of adjustment was made for the 1979 valuations.

The tax mapping proposal, on page 87, is a long overdue project to bring equity in property valuations. Because the mapping and revaluation would take two years to complete, it is in our best interests not to postpone action another year.

The Pierces Pond access project is still in motion and it is expected to be completed in the spring of 1984.

The peat bog is also being given serious attention as to the possibility of resuming peat production at the Penobscot location. The long process of a combined financing package is in progress.

Another project in the planning stages with the Department of Environmental Protection and the State Planning Grant Program, is that of upgrading the private septic systems around Northern Bay. The D.E.P.'s interest in this is generated by the closing of the clam flats in August of 1983. Because the contaminated area is contained in our town, we are able to correct the source.

It has been our privilege to serve the people of Penobscot for the past year.

Respectfully submitted
SHERMAN H. HUTCHINS
ALLEN BOWDEN
JAMES HENRY JR.

Auditor's Report
Roger W. Dow
Public Accountant
75 Main Street
Ellsworth, Maine 04605

Board of Selectmen
Town of Penobscot
Penobscot, Maine

We have examined the balance sheet of the Town of Penobscot, Maine as of December 31, 1983, and the related statements of revenue and expenses and changes in surplus for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Our examination was made primarily for the purpose of formulating an opinion on the basic financial statements taken as a whole. The other data included in the report, although not considered necessary for a fair presentation of the financial position, results of operations or changes in surplus in conformity with generally accepted accounting principles are presented for supplementary analysis purposes and have been subjected to the audit procedures applied in the examination of the basic financial statements and are in our opinion, fairly stated in all material respects in relation to the basic financial statements taken as a whole.

In our opinion, the aforementioned financial statements present fairly the financial position of the Town of Penobscot, Maine as at December 31, 1983, and the results of its operations and changes in surplus for the year then ended, in conformity with generally accepted accounting principles applied on a consistent basis.

Respectfully submitted,

Roger W. Dow
Public Accountant

Superintendent's Report

The citizens and taxpayers of Penobscot have taken a giant step towards improving the already impressive educational program that exists in the town. The overwhelming positive vote in favor of adding classrooms and a multi-purpose room to the school should result in expanded and improved programs. The architects, engineers, school committee, building committee, and town officials are meeting regularly to complete the final design in order that construction may begin late this spring. It should be ready for occupancy no later than the fall of 1985.

The faculty and staff at the school continue to work diligently toward the improvement of the educational program and the development of an educational atmosphere that is conducive to learning.

I would like to take this opportunity on behalf of the school committee to thank the citizens of the town for their interest and continued support. Managing a school program is not easy and could never be accomplished without this commitment by the taxpayers to provide outstanding educational opportunities for their young citizens.

Respectfully Submitted,
VAUGHN A. LACOMBE
Superintendent of Schools

Quotes from the Past

"It is fast becoming the rule, rather than the exception, for boys and girls the country over to secure the advantages of a high school education. It is, therefore, becoming more and more necessary for all to do this, while the privilege and opportunity are extended to them, in order that they may meet the competitions of life with a fair start."

Taken from Supt. of Schools Report by D. W. Rollins
Town of Penobscot 1921-1922

Principal's Report

Penobscot Elementary School

The purpose of this report is to inform you, the taxpayers, of the operation of the Penobscot Elementary School for 1983. As of January 16, 1984, the following now stands:

1) There are 9 Penobscot students attending Bucksport High School; 64 attending George Stevens Academy; 3 attending the Boggy Brook Vocational School in Ellsworth; 2 attending Ellsworth High School; 1 attending St. Paul's School in Concord, New Hampshire; and 1 attending the Doane Stuart High School in Albany, New York.

2) The enrollment for the elementary school is as follows:

Grade	1	2	3	4	5	6	7	8
# of								
Students	12	5	14	9	16	19	19	22 = Total of 116

3) The Penobscot School Committee employs the following:

David Beal — Principal; teacher of math in grades 7-8; homeroom teacher for grade 7.

James Henry — Teacher of science and social studies in grades 7-8; reading teacher for grade 8; homeroom teacher for grade 8; boys' basketball and baseball coach.

Gail Ladd — Teacher of language arts in grades 7-8; English teacher of grade 8; homeroom teacher for grade 7; Student Council advisor.

Pamela Astbury — Teacher for grade 6; girls' basketball and softball coach.

Pamela Haseltine — Teacher of grade 5; advisor to In-Service Committee.

Norma Richard — Teacher of grades 3-4; cheerleader coach; contract negotiator for teachers.

Norman Moulton — Teacher, grades 1 and 2.

Patricia Kornreich — Chapter I Teacher, full time.

Elizabeth Gross — Chapter I teachers' aide, part time.

Sandra Wight — Chapter I teachers' aide, part time.

Rosemary Begley — School secretary, half time.

Heidi Knowlton — Teacher of instrumental and vocal music.

Kay Jones — Head cook

Roberta Shorey — Assistant cook

Stanley Shorey — Bus driver

Roger Moon — Bus driver

Thomas Stipe — Custodian

Dorothy McKerns — Director of Speech, Language, and Learning Services, Chapter I Coordinator

Norma Garfield — School nurse

Photo by Sally & Susan Hutchins

Many thanks go to all those people who have volunteered their time and efforts toward the operation of the Children's Library, to those volunteers who have come to the school to devote time to reading to various classes, and to Mrs. Valerie Messana for her accompaniment on the piano during the school musical concerts, school play, and Mrs. Bundy Boit for playing piano at the 8th grade graduation.

The Union #93 Spelling Bee was held at the Brooksville Elementary School's new multi-purpose facility, where Penobscot's school champion, Steve McGraw, and school spellers, Sam Boit, John Boit and Craig Brann represented our school. At that time Steve earned the right to be alternate for the County Spelling Bee, which was held at the Hancock School in Hancock.

The entire student body attended the Hancock County Auditorium on two separate occasions to view the "Performing Arts for Children" series.

Continuing with tradition, the school visited the Penobscot Nursing Home at Halloween time, and once again held the Annual Christmas Fair. In addition, there were many other events that were especially important to the elementary school during the 1983 school year.

The teachers at the elementary school are continually evaluating the curriculum, striving to provide the best possible school climate and learning environment for each of the children. We encourage each of you to visit our school and to share with the children the myriad of educational activities.

Sincere appreciation is expressed to all the members of the community, as well as to the staff of the elementary school, who have helped with the many school activities, events and projects throughout the school year.

Respectfully submitted,
DAVID P. BEAL
Principal

Headmaster's Report

To: Superintendents LaCombe, Bowers and Cormier; School Committees of Blue Hill, Penobscot, Sedgwick, Brooklin, Brooksville, Surry, Castine; Trustees; interested citizens.

Stevens opened this year with its largest freshman class ever. Total enrollment is just under 300. With another large freshman class expected next September, and a small senior class graduating in June, we should be well over the 300 level for the first time in five years.

Two new faculty this year provide strong additions to our staff. Aynne Ames of Castine brings her years of theater experience to GSA as our new Drama Director. Jim Aldrich, now living in Deer Isle, joined the English department after serving as Dean at Roger Williams College in Rhode Island. We're very pleased to have both these fine teachers with us.

Recent faculty and board decisions have tightened up some academic policies this year. One decision disallows any course changes after the first eight days of a semester. Another states that exams will count one-third of a semester's grade in each course instead of the one-fifth they had counted. It also states that all seniors will now take exams except those with an "A" in the course. These changes bring the Academy's policies more in line with post-secondary institutions.

Eligibility requirements were also tightened up by vote of our Joint Board this year. Basically the new requirement states that students must enroll in five courses per semester and that any student failing more than one of these courses in any academic quarter is ineligible to represent the Academy in the following quarter. The ruling affects all extracurricular participation, not just sports.

Physical improvements were made to our 85 year old Academy Building this past summer. They included the carpeting of all corridors and the replacement of the porch foundation and steps. Those who have not visited us recently should be certain to come by the Academy Building and see our new Honor and Memorial Wall Plaque hung in the corridor there. It is a handsome 4' x 5' cherry wall fixture which already contains over 60 names of alumni and friends remembered by donors as they have contributed to our new endowment fund. **Campaign for Stevens.** The names have been engraved on 1" x 6" brass plates and are promi-

nently and permanently displayed on the plaque. We're very proud of this special way we can remember loved ones and friends of our Academy.

The year's Annual Fund was launched in mid-November and at this writing is well ahead of last year's drive. This important effort brings us unrestricted dollars for immediate use where they're needed most to keep Stevens the fine Academy of which we're all proud. Presently we are \$1,300 and 50 donors ahead of last year. We hope to top the \$15,000 mark for the first time this year.

Campaign for Stevens, our new endowment fund, now counts 675 separate gifts totalling more than \$440,000 in value. This includes three gifts of land worth approximately \$70,500 and a written bequest in the form of a trust valued now in excess of \$15,000. We're pleased to be near the 3/4 level in pursuit of our \$600,000 goal but we're working harder than ever to assure we can complete this drive successfully in late August. We encourage the help and support of all our alumni, parents and friends in this very important endowment funding effort.

I think it should be noted here that this endowment is permanently restricted. Only its annual interest income and dividends from investments can be used by the Academy. Like any endowment it serves to assure the future financial security of our school and provides the means to allow us to contend with any future budget shortfall or any emergency.

As a private school we do not and cannot rely on direct taxation funding. Stevens must rely on its enrollment and the tuition from that enrollment for nearly all of its income. No extra funding comes to us on a regular basis from any other source except grants for Special Education and hot lunch programs mandated by the State. To fund major repairs, renovations or capital improvements the Academy must provide its own resources. Those come from the endowment in much the same way that our individual resources might come from a savings account.

I think that there are real advantages to being a private school. Foremost is the fact that we are truly the community's school and not a State entity. We are owned and managed locally. With this advantage, however, comes the responsibility for the funding and maintaining of our school — a job in which we all must share.

It's worth noting that former generations have certainly done their share. Every building and facility has been built or bought with generous and completely local support. Our shop was even built with local volunteer labor and materials. For these reasons we can be doubly proud of our Academy.

We remain one of the few old Maine academies still operating. Our heritage dates back to 1803 when the original Academy was the first to open its doors east of the Penobscot River. A visiting teacher said to me not long ago, "You are lucky to have a school where you can sense the history and feel the generations of involvement of caring people." He made me realize again that Stevens is an exceptional school these days and has some important qualities that we must not take for granted.

Respectfully submitted,
DAVID H. HITCHINGS
Headmaster

Penobscot Elementary School General Operating Account

July 1, 1982 to June 30, 1983

	State Form/ Audit Report	Tax Purposes
Balance 7/1/82	\$ 51,070.34	\$ 36,039.60
Income 1982-1983	\$386,787.93	\$386,787.93
Expenditures 1982-1983	<u>\$404,750.75</u>	<u>\$404,750.75</u>

October 31, 1983

Superintending School Committee
and Superintendent of Schools
Penobscot School Department
Penobscot, Maine

We have examined the enclosed statement of appropriations, receipts and expenditures of the Penobscot School Department for the fiscal year ended June 30, 1983. Our examination was made in accordance with generally accepted auditing standards and applicable guidelines for audits of state administered federally funded programs, and accordingly included such tests of the financial records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the enclosed statement of appropriations, receipts and expenditures present fairly the cash transactions of the Penobscot School Department for the fiscal year ended June 30, 1983, in accordance with generally accepted accounting principles.

Respectfully submitted,
JEFFREY R. DOW
Certified Public Accountant

Penobscot Volunteer Fire Department

I have only nine fires to report for 1983: 4 chimney, 3 forest, 1 dump and 1 grass fire. There were no house fires, leading me to believe people are certainly practicing safety.

The new addition progressed rapidly in '83. The exterior is complete except painting the trim. The interior is complete and at present we are constructing an archway between the old building and the new addition for better heat circulation. The department has also applied for an energy conservation grant to insulate and sheath the interior walls of the old building. We hope for approval soon. Lastly, pertaining to the construction project, we still boast that the only costs incurred have been for materials. As strange as it may seem, labor is still free in this department. Those who work toward the betterment of this department feel it is a necessary and vital part of the community. We realize, however, until we are actually needed we are often overlooked. Not by all though. We have received contributions this year amounting to \$1,635.00. This is the most we have ever raised in a fund drive. I would like to thank all of those who felt our cause a worthwhile one. We sometimes find ourselves struggling to keep up with the modern world, and every little bit helps and is certainly appreciated.

1983's equipment update finds us with a 2100 gallon portable water tank to be used in conjunction with our newest truck. We updated our self-contained breathing apparatus to become pressure demand. Late in December, we received a new 3500 watt generator to be used at the department in case of a prolonged power outage or at a fire scene as deems necessary. We bought 200 feet of 2½" hose and a nozzle to go along with it, which can only be used on our newest truck. With the portable water tank and 2½" attack hose, we are moving toward the large volume blitz attack method, which is widely used in modern fire fighting. Since our newest truck only pumps a maximum of 300 gal/min. our next move is to gain support within the community for money toward a used piece of fire apparatus that will pump at least 500 gal/min and preferably 750 or 1000 gal/min. This may seem like a big step for this town, but costwise, used fire equipment is relatively cheap, and this town is one of two in the peninsula area that does not meet the 500 gal/min minimum requirement of the Hancock County Mutual Aid Pact for which we are a member. Lastly, we now have eight complete sets of turnout gear for our firemen.

Several members have attended training courses offered within the county. One and two day courses are common during the spring, summer, and fall months. We attend as often as we can find time. The muster team has brought home numerous trophies in 1983 under the direction of Stan Shorey.

Monday evenings are meeting/work nights at the department. I strongly urge you townspeople to stop by and see us in action to see what we have done and what our future plans are. We need to know how you feel and what you expect from your fire department. And if you really want to become involved, come join us. We certainly can use more volunteers!

Respectfully submitted,
WALLACE E. WARDWELL, JR.
Fire Chief

Report of the Planning Board

The Planning Board held 12 regular meetings in 1983. Regular meetings at the Town Hall, at which action is taken on building permits and Land Use regulations explained, are held on the first Tuesday of each month at 7 P.M. Special meetings may be called as needed.

In June, Sheldon Gross was appointed to serve the remaining term of Jeffery Berzinis, who resigned. Norman Moulton was appointed to replace Harold Shaw, whose term expired. Gross agreed to take over as Secretary when the term of Kerry Leach expires in 1984. Moulton was selected Code Enforcement Officer when Dennis Sheehan resigned.

In 1983, 39 permits were issued for various residences, accessory buildings and earth moving. Included were 2 commercial permits — dock facilities (Devereux), garage and showroom (Snow).

Present members of the Planning Board are:

Mary Bridges (Alternate)	term expires 1987
Bruce Buckner (Chairman)	term expires 1986
Sheldon Gross (Secretary)	term expires 1985
Alvin Heath	term expires 1986
Kerry Leach	term expires 1984
Norman Moulton (Code Enforcement Officer)	term expires 1988

Respectfully submitted,
BRUCE A. BUCKNER
Chairman

Hancock County Planning Commission

69 Main Street, Ellsworth, Me. 04605

James S. Haskell, Jr., Executive Director

TO: Council Chairmen, First Selectmen, Town Managers and Town Clerks

FROM: John E. Jordan, Chairman Hancock County Commissioners and Margaret F. Herrin, Chairman Hancock County Regional Planning Commission

DATE: February 2, 1984

SUBJECT: Proposed Resolve for 1984 Town Meetings

In order to assure the continued availability of planning and related services to Hancock County municipalities, the Hancock County Commissioners and the Hancock County Regional Planning Commission's Executive Board have been examining alternative methods of funding and the proper location for the Planning Commission to assure its accountability to elected officials.

Attached is a proposed resolve which we are requesting that your city/town vote on at its 1984 annual meeting.

This agreement is believed by both the County Commissioners and the Executive Board to be the most appropriate alternative. We are now seeking the opinion of the voters of Hancock County as to whether or not they agree.

Please forward this resolve to your warrant committee and request that it be included in the warrant as a resolve for consideration at your 1984 meeting. If your warrant/town report is already being printed, please have the moderator of your 1984 meeting bring this resolve up during your 1984 meeting.

If you have any questions, please call Walter Bunker at 667-3161 or Jim Haskell at 667-7131.

PROPOSED ARTICLE FOR 1934 MEETINGS

RESOLVE: Be it resolved by the Town of Penobscot to support the following agreement between the Hancock County Commissioners and the Hancock County Regional Planning Commission as follows:

1. The Hancock County Commissioners shall assume fiscal responsibility for the Hancock County Regional Planning Commission;
2. The Hancock County Regional Planning Commission shall take advantage of State and Federal funding sources as available and for which it is eligible with such funds reducing the amount of funds appropriated annually for the Hancock County Regional Planning Commission in the County Budget;
3. Each Hancock County municipality shall have two representatives and one alternate to the governing body of the Hancock County Regional Planning Commission, one of which shall be an elected municipal officer; and
4. The Executive Board of the Hancock County Regional Planning Commission shall consist of fifteen members elected by the representatives to the governing body as follows:
 - A. SUBREGION I:

Three members representing the towns of Blue Hill, Brooklin, Brooksville, Castine, Deer Isle, Isle Au Haut, Penobscot, Sedgwick and Stonington.
 - B. SUBREGION II:

Three members representing the towns of Bucksport, Dedham, Ellsworth, Lucerne-in-Maine, Orland, Surry, Trenton and Verona.
 - C. SUBREGION III:

Three members representing the towns of Franklin, Gouldsboro, Hancock, Lamoine, Sorrento, Sullivan and Winter Harbor.
 - D. SUBREGION IV:

Three members representing the towns of Bar Harbor, Cranberry Isles, Frenchboro, Mount Desert, Southwest Harbor, Swans Island and Tremont.
 - E. SUBREGION V:

Three members representing the towns of Amherst, Aurora, Eastbrook, Great Pond, Mariaville, Osborn and Otis.

Report of James W. Sewall Company

Dear Mr. Hutchins:

We are pleased to submit our quote of Fifteen Thousand Eight Hundred Dollars (\$15,800.00) for a complete mapping program. This would include new 1984 spring photography, stereo-plotted base map, deed research, necessary field work, and final drafted mylars.

Our basis of payment would be as follows:

\$9480.00 for 1984 (to be billed as the work progresses)

\$6320.00 for 1985

If you have any questions please do not hesitate to contact us.

Very truly yours,
GERALD A. THURLOW
Assistant Vice President
Municipal Mapping

Report of Historical Society

The Penobscot Historical Society has been busy working on the home. Much has been accomplished. The ell of the home has had wide pine board flooring laid. The shingling has been worked on, a small portion of the back and the ell are left to be completed. The fireplace is up to the main floor, with a fireproof room just under the fireplace in the basement for storage of valuable documents and other artificats.

A showcase was purchased this year for the ell of the home, to exhibit our gifts. Also it contains drawers which we were in great need of. The Society purchased six tables and Hoyt Hutchins made benches to go with them.

Our fund raising events for the year were: March, Town Meeting supper; July, Firemen's muster; July, Bean-hole-bean supper.

We are pleased to report 314 members including 30 life members. We are so grateful to each and every person who has given gifts or time to our Society and look forward to this new year with much confidence. The Society was saddened to learn of the death of life member, Stirgis Wilson.

Financial support is greatly needed to continue the progress of the Society's home. Our fund raising goal for the year 1983-1984 is \$5,000.00.

Thank you for your continued support.

Sincerely,
Council Members of
The Penobscot Historical Society

Four Town Nursing Service

To the Selectmen and the Citizens of Penobscot:

One of the many opportunities we have to help our fellow man is shown by helping to provide for his needs. As a home health agency, our primary service is given to the elderly, homebound member of the community, under the physician's order. But we are more than that. We contribute to the welfare of the entire community through our clinics: Well-Child; Footcare; Pap; Blood Pressure; Family Planning and your school board contracts with us to provide a certified school health nurse for your children.

Four Town Nursing cooperates with area agencies to supervise the Senior Companion Program, to provide Maternal Infant and Child visits and Public Health Nursing visits. They work with Hospice of Hancock volunteers who help sustain the family of the terminally ill patient who is facing the last six months of his life and has chosen to stay at home.

Our staff members are continually upgrading their knowledge and skill to provide our clients (your family, neighbor or friend) with the highest quality of care, 24 hours a day, 7 days a week. As Federal Law affects early discharges from the hospital, patients may go home earlier than ever, often with attached IV systems or needing chemo therapy or other treatment. Our staff has begun training for administering this care, previously done in the hospitals.

In the calendar year 1983, the following visits were made in your town:

Skilled Nursing:	88
Home Health Aide:	322
Physical Therapy:	15
Speech Therapy:	1

In our service area, the staff made 8647 visits and travelled over 200,000 miles.

For fifty-two years our policy has been to provide for the patient regardless of his ability to pay. Through individual and town support, you too, help to provide for the needs of your fellow man. We thank you for your continued and generous support.

Respectfully submitted,
BONNIE L. TORREY
President

Washington-Hancock Community Agency

Last year, Washington Hancock Community Agency provided \$4,304 of services to your town in the following manner:

\$4,304 of Winterization on 6 homes for 11 persons, 7 elderly.

\$4,304 Total of Services provided to your town.

We are asking you this year to give us \$86 seed money to support Agency programs. This represents \$.02 on each dollar of services we provided to your town. Your seed money for Day Care and Transportation will be matched by the State, \$3.00 for each \$1.00 given by towns to support program services.

It should be noted that requests from some towns are a great deal more for 1984 than for 1983. In 1983 there was a top dollar limit of \$975.00 so towns receiving the most services were not asked for the full 2%. This year in order to be fair to all towns and to meet increasing needs as a result of federal cut backs every town will be requested to give \$.02 on each \$1.00 of services provided.

The Agency also provided surplus commodities to 94 households in your town in 1982-1983. These households were served on three different occasions during December, April and October. Because of the difficulty of estimating the actual worth of the cheese, butter and dried milk we have not included the distribution in our request.

A staff person can be present at the budget committee meeting, and will be at the town meeting to answer any questions.

PAUL BUCKWALTER
Executive Director

Hancock County Mental Health Association

Dear Sir:

The Hancock County Mental Health Association was incorporated in 1961 by residents of Hancock County who were concerned and interested in the mental health of children, adults and the aging.

The Association is composed of a Board of Directors of local residents of Hancock County, and is a voluntary nonprofit organization, whose members serve without pay, to advocate for the best possible mental health services for the people of this County.

We are again asking for your financial help so that we may continue to operate our facility at 78 Union Street, Ellsworth. We are especially proud of the Hancock County Children's Center, which we were instrumental in developing ten years ago, and has been housed rent free in that building on Union Street since the building was constructed in 1976.

Our Association donates free space to the Hancock County Pre-School Project, which screens and evaluates children who have learning disabilities, behavioral disorders, or who are developmentally delayed.

We also provide space for the various services of the Community Health and Counseling Center at a token rental.

We therefore ask that you consider our request for funds in your Warrant, and we include for your convenience the following article:

To see what sum of money the Town will vote to raise and appropriate for the support of the Hancock County Mental Health Association. The Association requests \$828.00 based upon \$.75 per capita.

If there are any further questions or you would like any additional information, please feel free to call any of the undersigned members of the Association.
